NOTES

¹ The Notes and Section References in this Form are provided for guidance only. They do not form part of the Application.

² Estimated life of ore body or such period as the applicant may request whichever period is shorter for Special Mining licence and 10 years for Mining licence.

³ This plan should also show the area referred to in the Development Agreement, if any. If renewal is sought for only part of the mining area, the Plan should also show the reduced area.

⁴ All references to "Appendix No." mean that the information concerned is to be set out in a numbered Appendix to the Application.
